

## TEV (50Hz)

### TEV-385/585/765/985

The TEV is a central extraction fan that is equipped with a lightweight aluminium impeller, making it suited to exhaust gases, volatile fumes and dust. Matched inlet and outlet areas, together with optimized impellers, ensure even airflow, high capacity and low noise level.

The fan is intended and designed for mounting filter units and vehicle exhaust extraction systems. The fan is rated for outdoor use.

#### APPLICATIONS

The TEV is intended to be used for the following applications:

- MIG-MAGt/GMAW welding
- TIG welding
- FCAW welding
- stick/MMAW welding
- vehicle exhaust extraction systems

Do **not** use the TEV for the following applications or in the following circumstances:

- aluminium laser cutting
- extraction of aggressive fumes and gases (e.g. from acids, alkaline, or soldering paste containing lithium)
- extraction of hot gases (more than 80°C/176°F continuously)
- grinding aluminium and magnesium
- flame spraying
- extraction of cement, saw dust, wood dust, etc.
- explosive environments or explosive substances/gases

#### SPECIFICATIONS

■ Physical dimensions and properties	
Material:	<ul style="list-style-type: none"> <li>• impeller</li> <li>• housing</li> </ul>
	<ul style="list-style-type: none"> <li>• aluminum</li> <li>• powder coated galvanized sheet metal</li> </ul>
Colour:	
• motor	black (RAL 9005)
• housing	grey (RAL 7011)
Motor design	IEC 60072
Discharge position	rotatable 90°
Fan type	radial
Design conditions	20°C (68°F) at sea level
Max. airflow temperature	80°C (176°F)
■ Performance	
Speed	2800 rpm
■ Electrical data	
Max. start/stops per hour	30
Insulation class	F
Protection class	IP 55
■ Ambient conditions	
Operating temperature:	
• min.	5°C (41°F)
• nom.	20°C (68°F)
• max.	80°C (176°F)

Max. relative humidity	80%
Storage conditions	5-80°C (41-176°F) relative humidity max. 80%
■ Product combinations	
Vehicle exhaust extraction systems	all systems
Filter units	all systems
Fume extraction systems	all systems
Control equipment	all systems
■ Scope of supply	
Extraction fan	
■ Order information	
Number/package	1
■ Shipping data	
Harmonized Tariff Code	8414.5940.90
Country of origin	the Netherlands

See table 1: for dimensions
